

Thank you for your purchase!

IMPORTANT

We created an easy-to-use online approach which guarantees that you will always have access to the latest and greatest documentation, and which keeps our costs lower, resulting in a better product price to you.

1. Create a Free Whirl® Account:
 - Go to: customer.whirl.cloud
 - Click on “Sign up Here”
 - We recommend using the same email/password you used for your account with HandsFreeFarm.com® when you purchased the system.
 - *Very Important!* **Select Role: ACCOUNT HOLDER.** Do not select: OPERATOR.
2. Download the Free Whirl app on the phone or tablet you want to use with the Wheelman®:
 - Log in to the app using the email/password used to create your Whirl account
 - You need to login to the account when you are connected to the Internet
 - For most users there is no reason to log out of your Whirl account
 - We recommend closing the app not logging out
 - You must be logged in to your Whirl account on your device before connecting it to your Wheelman system
 - When connecting to the Wheelman Wi-Fi, the password is “topsecret”
3. Download your installation manual:
 - Go to: manuals.handstfreefarm.com or scan the QR code
4. For additional support:
 - Access our extensive Knowledgebase at support.handstfreefarm.com
 - We offer 3 ways for you to contact us:
 - Create a support ticket: store.handstfreefarm.com/pages/contact-us
 - Email Support: support@handstfreefarm.com
 - Call Support directly at 480-470-1880

Thank you!

The HandsFreeFarm® Team
